JACK and Gill went up the hill  
To fetch a pail of water ;  
Jack fell down and broke his crown,  
And Gill came tumbling after.

Then up Jack got, and home did trot,  
As fast as he could caper ;  
Gill had the job to plaster his nob  
With vinegar and brown paper.

And he had a little gun,

He went to the brook,  
And he saw a little duck,  
And shot it right through the head, head, head.

Then he came home  
To his wife Joan,  
And bid her a fire to make, make, make,  
Till he would go back  
Where he got the duck,  
And then he would shoot the drake, drake, drake.
